A nation wide movement for the preservation of our bird and animal friends of the fields, woods and dales is being sponsored by the General Wildlife Institute. Among those giving their time and cooperation to this movement are the members of the Izask Walton League. Marked progress has been made and the week beginning March 20, 1938, has been designated as National Wildlife Week.

NOW, THEREFORE, I, Leslie Jensen, Governor of the State of South Dakota, designate the week of March 20-26, 1938, as NATIONAL WILDLIFE WEEK. In this modern civilization, we may not be as thoughtful and protective of wild life as we should be. Spring, when nature is awakening from her winter's sleep, is an appropriate time to give particular attention to this subject. I urge that especial attention be given and that every one endeavor to prevent any unnecessary harm or suffering to these true friends of mankind.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of South Dakota to be hereto affixed.

DONE AT THE CAPITOL, in the City of Pierre, this 18th day of March, 1938.
